

HELP US CHOOSE THE TOP
TEN MOST IMPORTANT
QUESTIONS ABOUT BURNS
CARE AND TREATMENT

Over **1600** people from **79** countries told us what was important to them about burns care and treatment.

Now we need your help to find the **Top 10** most important questions that research can answer to improve care all over the world.

IF YOU

-  Are a patient or survivor of a heat burn injury from flame, contact or hot liquid.
-  Care for someone who has experienced a heat burn injury from flame, contact or hot liquid.
-  Are a health care professional who treats patients with thermal burns.

THEN WE WANT TO HEAR FROM YOU!

Please complete our survey to pick which ten questions about burns care and burns treatment are most important to you.
